

ZIPPERED LAUNDRY WASH NETS

Heavy Duty Mesh Laundry Net Durable Nylon Zipper & Zipper Lock Tab

GREAT FOR MICROFIBERS TOO!

TWELVE STANDARD COLORS

ZIPLOCK CLOSURE SYSTEM

Our ZIPLOCK Closure System prevents zipper from opening during processing.

A quick tuck of the zipper under the tab will keep the laundry net closed with contents secure and contained during laundry collection, processing and delivery.

INDUSTRIAL GRADE LAUNDRY NETS ARE USED TO PROCESS MICROFIBER PRODUCTS

100% Polyester. 5 oz. knitted laundry mesh has reinforced triple thread sewn seams, ID Tag, and a full length, heavy duty nylon zipper.

Our "ZIPLOCK CLOSURE SYSTEM" has a safety tab to keep the bag securely closed from start to finish

Lower utility cost by wash/dry multiple loads in large capacity machines. **SAVE MONEY!**
